MADE IN ITALY

Leon&Leonie ILLUMINAZIONE è un'azienda giovane e dinamica che si avvale della competenza di abili artisti e artigiani.

L'impegno, l'innovazione e la qualità sono le caratteristiche che contraddistinguono ogni articolo della nostra produzione.

Spaziamo dal classico al moderno, per offrire, in ogni occasione, una soluzione in sintonia con il contesto abitativo. Offriamo la possibilità di progettare su misura oggetti esclusivi su richiesta diretta del cliente. Non solo i progetti ma tutte le fasi della produzione vengono eseguite in Italia, solo così si ha il vero prodotto MADE IN ITALY.

Leon&Leonie ILLUMINAZIONE is a young and dynamic company that avails itself of the competence of young and clever artists and artisans. Care, innovation and quality are the characteristics that mark each article of our production.

We move from classic to contemporary styles to offer in each occasion a solution in sintony with the living contest. We offer the possibility to project on customer's demand, exclusive objects custom made. Not only the projects but also all the production's phases are MADE IN ITALY, the only why to have the real MADE IN ITALY product.
